Sherman Fire Protection District Sherman Volunteer Fire Department

P.O. Box 410 - Sherman, Illinois 62684
Emergency Phone 9-1-1 - Non-Emergency (217) 496-2213.

Jeffrey Bierman, President - Board of Trustees
Scott Reeves, Secretary - Board of Trustees
Glenn Allison, Treasurer - Board of Trustees

Rich Coon, Chief

The Sherman Volunteer Fire Department's membership is comprised of men and women from Sherman, Illinois and nearby areas, who volunteer their time and efforts to ensure the safety of others.

The volunteers provide the manpower, leadership, and management functions under the direction of the Trustees, of the Sherman Fire Protection District. The District is a unit of local government as determined by the Illinois Codified Statutes. The District provides all equipment and funds necessary for the fire department through its taxing powers and is administered by a Board of Trustees appointed by the Sangamon County Board.

The primary mission of the Sherman Fire Protection District/Sherman Volunteer Fire Department is to provide fire protection and fire prevention services to all residents in the Sherman Fire Protection District.

The secondary mission includes Basic Life Support nontransport services to all persons within the geographical boundaries of the District; providing light & medium rescue when required and supporting the community in times of natural and manmade disasters.

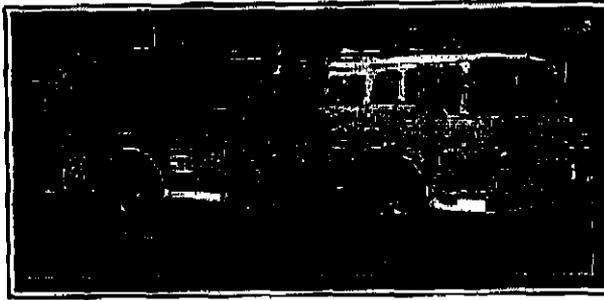

Department Size: 25
 District Size: 50 square miles
 Insurance Service Office (ISO) Rating: Class 5

Department is trained at the following minimum levels:
 Certified Fire Fighter II
 Emergency Medical Technician - Basic & Defibrillator
 Hazardous Materials - Operations Level
 Incident Command System

Engine 1
 1999 Pierce Class A Rescue/Pumper

 Mission - first-out structure fire, EMS and rescue

**Engine 2**

1985 Pierce Class A Pumper

1,000 gallon capacity tank - 1,000 gallon minute pumper

Mission - second-out structure fire, EMS and rescue

**Engine 3**

1978 Pierce Class A Pumper

1,200 gallon capacity tank - 750 gallon minute pumper

Mission - structure fire, tanker operations

**Engine 4**

2000 Alexis Brush Truck - Ford F-450 - 300 gallon tank

330 gallon/minute pump Mission - service vehicle for brush fire and rescue operations

Mission - brush fire and 4 WD missions, roll and pump
with front sweep nozzle

Engine 5

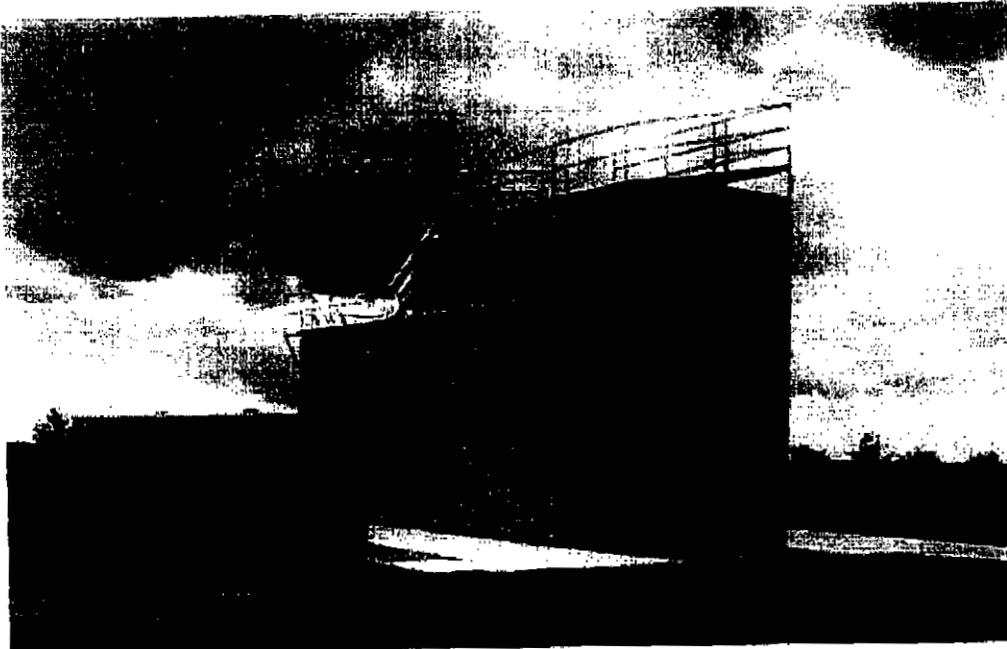

1970 Towers Pumper - Rebuilt 1991 to Semo Pumper/Tanker
1,500 gallon capacity tank - 1,000 gallon minute pumper
Mission - rural tanker operations and brush fire attack

In the summer of 1994, the Sherman Fire Protection District dedicated it's new headquarters and fire station. This state of the art and cost effective complex was designed to not only serve the District now, but well into the future. The building is located at 2215 West Andrew Road and consists of eight vehicle bays, communication and conference rooms, administrative offices, kitchen, storage and training room. The building is approximately 10,000 square feet in size. The District is in the process of finalizing construction of a three story training structure and Self Contained Breathing Apparatus (SCBA) training structure. This facility, though always evolving, was completed in the Spring of 2002.

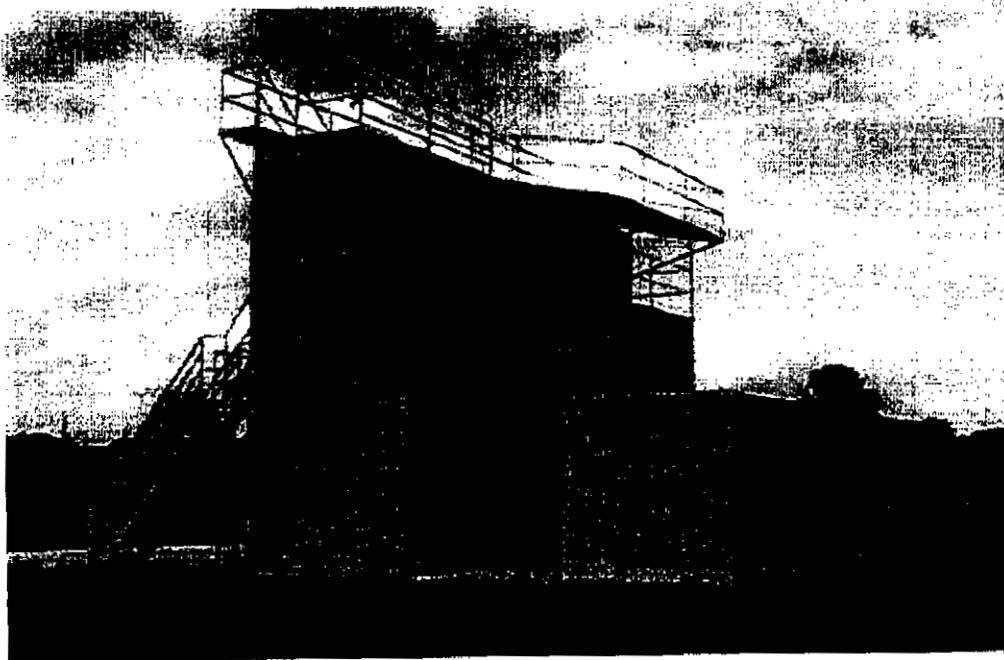

The pictures below show outside views.

Some of the features include:

- Ability to completely "smoke" the interior at any of three levels
- Full interior and exterior lighting
- A "renewable" roof ventilation trainer
- An SCBA "maze" for training in the use of SCBA in various confined spaces
- Steel open grate interior and exterior stairs
- Movable interior partitions, so the interior is never the same twice
- Interior sprinkler system, with sprinkler standpipe and Fire Dept. Hookup
- Other features will be added to supplement training requirements as needed.

New Training Structure - View looking Northwest

New Training Structure - View looking Northeast

Solicitations for monetary donations to establish the Sherman Volunteer Fire Department began May 20, 1954. Cash donations were taken by Mack Withrow at the department garage. On June 30, 1954, L. H. Cochran and Nip Turnbull began making solicitations, and

cash donations up to and including July 15, 1954, were \$1,042.00.

The first official meeting of the Sherman Volunteer Fire Department was held during October 1954.

Initial equipment for the department was acquired from several sources. The original tank was purchased in St. Louis. The tractor was donated by Paul Flagg, the engine to run pump by Carl Kull, the pump by Standard Oil Company, and the hose by the State of Illinois. The siren was ordered for the truck and the red light was purchased from B. Phillips of Springfield Fire Department. Parts for the pump, the starter for the engine and auxiliary pump were purchased elsewhere. A ladder, helmets and fog nozzle were donated by the Sherman Athletic Club.

The department's first fire house was erected in 1957 on land purchased from Matthew E. and Hilda I. Withrow. All labor on the building was donated by citizens of the community, with a fire house dedication on May 20, 1957.

Suppers and donations kept the Department running until September, 1960, when the Sherman Fire Protection District was voted in. The charter was issued December 15, 1960. William Walschleger, Amato Polistina, and Paul Flagg were the first Trustees.

The Sherman Volunteer Fire Department contracted with the Sherman Fire Protection District to furnish the personnel to operate the equipment on a yearly basis.

The building at 210 West Andrew Road that housed the department was started in 1974 and finished early in 1975 under the Board of Trustees composed of Carl Rice, William Stienkruger, and Paul Flagg. Dedication day was July 20, 1975.

The Board of Trustees started the financing and planing process for the current structure located at 2215 West Andrew Road in 1993. This was accomplished under the leadership of Tim Fox, President of the Board of Trustees; , Jeff Bierman, Trustee; , Glenn Allison, Trustee; , Rich Coon, Chief and his staff. Dedication of the building occurred on July 9, 1994.

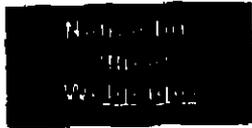

The role of our Department is to not only provide assistance when that emergency call comes to us, but to also provide our community with the resources to prevent many potential dangers. If we can be of further assistance to you, your family, business, or if you, a member of your family or a friend is interested in contributing to the volunteer spirit in our community by serving on the Sherman Fire Protection District, please do not hesitate to contact us.

For more information about the Sherman Fire Protection District or the services it provides please contact: Chief Rich Coon at (217) 496-2213
